

Identity Stammers

Speaking in symbols  
Meanings are mirrors

Tire of the image.  
Put off the face.

Fingers as roots.  
Eyes as seeds,

Sprout visions  
Offspring parades

Circular travel to  
Endless distance.

Windless aftermath  
Poses as peace

Identity stammers  
For lifetimes

Cruel pardon  
Longevity lullaby

Ebbing source  
Flowing backwards
